

HAPPY PROFIT SHARING DAY! CELEBRATE!

Standing together over the past two years, ramp workers demanded and received the same profit-sharing formula our unionized pilots negotiated for themselves, after ours had been cut nearly in half.

Without the voice this ramp union drive has given us, we would have been left out in the cold.

Unionized Canadian workers at Delta get the same profit sharing as us plus the benefits of a binding, guaranteed contract. Imagine what we could negotiate if **WE** had a seat at the table!

WHAT A DIFFERENCE STANDING TOGETHER MAKES.
