

“EVERY LITTLE BIT HELPS, BUT IMAGINE WHEN WE WIN THE UNION!”

The pressure created by everyone signing cards led directly to pay increases being officially announced. With a union, we will have a voice and finally see real justice in pay, benefits, and working conditions.

Our counterparts at American and United enjoy equal pay and benefits based on years worked, not hours worked. They also have access to health care, pensions, paid vacations, equal holiday pay, and real flexibility in schedule.

With a union, we will fight for a single pay scale with full benefits, real seniority rights, a pension, job security, and a voice for all workers; Full Time and Ready Reserve alike.

WE WON IMPROVEMENTS BY ORGANIZING TO GET A UNION. IMAGINE WHAT WE CAN WIN WITH A UNION.

WE ARE WINNING! GET INVOLVED!
