

FOR REAL SAFETY WE NEED A UNION

RISK FACTORS OF OUR JOB:

- Work around planes and heavy equipment.
- Use conveyor belts and drive vehicles.
- Work in extreme weather.
- Breathe hazardous exhaust.
- Lift luggage and cargo repetitively.

NOW ADD TO THIS:

Doing more work with less people while at the same time being required to meet ever increasing performance and time sensitive goals. This combination equals extreme risk to life and limb.

WORKERS NEED THE PROTECTION OF A COLLECTIVE VOICE IN ORDER TO LIMIT AND STOP US FROM BEING PUSHED INTO DANGEROUS CONDITIONS AND SITUATIONS.

A UNION IS THE ONLY WAY TO TRULY MAKE SAFETY FIRST.

OUR VOICE. OUR CHOICE.
