

WHY NEGOTIATING IS GREAT

Delta refers to us as professional industrial athletes. Delta also states in a flier the negative aspects of negotiations.

- Do professional athletes negotiate their contracts? **YES.**
- Are professional athletes represented by a union? **YES.** Major League Baseball, National Football League, National Basketball Association, and the National Hockey League are all unionized.
- And, **ALL** the major sports leagues negotiate contracts with their player unions.

Since we are professional industrial athletes isn't it time to have a union negotiate a contract for us. No more guessing games. No more work rule changes at will. No more gray areas.

This all comes by two parties negotiating a contract. **NEGOTIATING IS GREAT!**
